"FOREWORD"

We, THE ROAR staff, are happy to present to you the ninth edition of THE ROAR of 1950. This eventful year has been one we shall never forget; but when memories become a vague whisper, we shall turn these pages with a wistful smile and reminisce together.

SUPERINTENDENT'S MESSAGE

To the members of the annual staff and their sponsor, I offer my congratulations. You are to be commended for the fine attitude shown in your school relations and congratulated upon your every achievement.

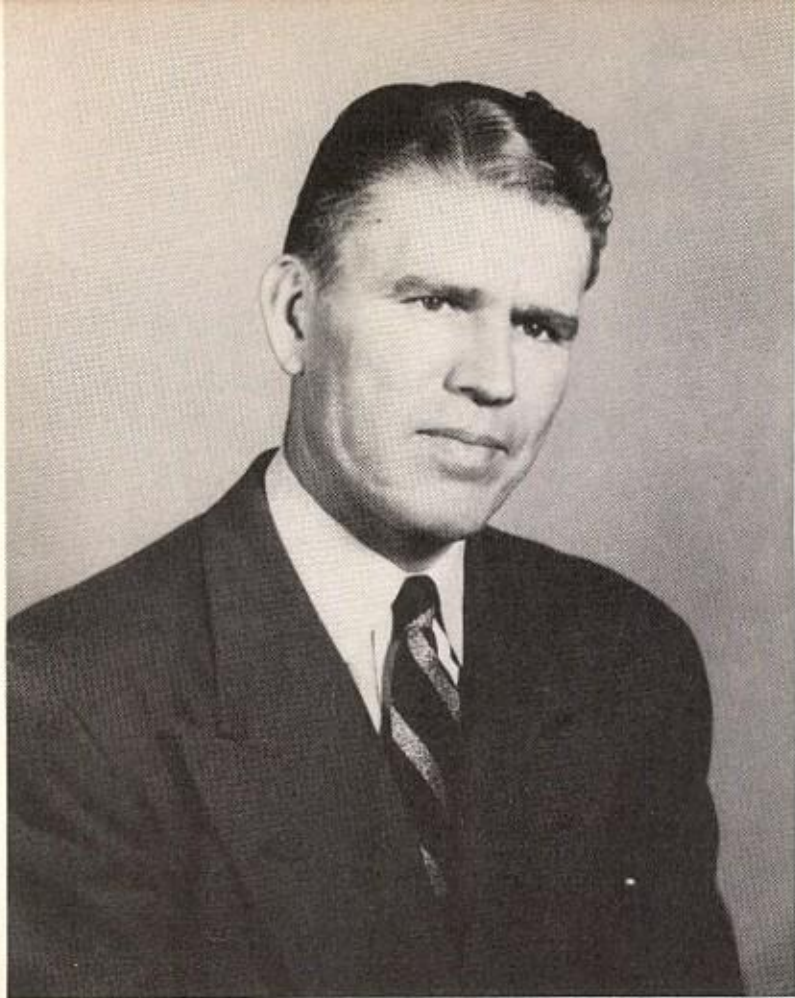

Graduates, let no current unrest or turmoil discourage you in your efforts to secure maximum development of your worthwhile possibilities. Undergraduates, recognize no obstacle as an impossible barrier to the completion of your high school work.

It has been a joy and pleasure these years to have associated with you, an outstanding group of young ladies and gentlemen. Your unmatched loyalty, friendliness, thoughtfulness and your exceptionally high standard of personal conduct and academic achievement have been a source of pleasure to those who have worked with and for you.

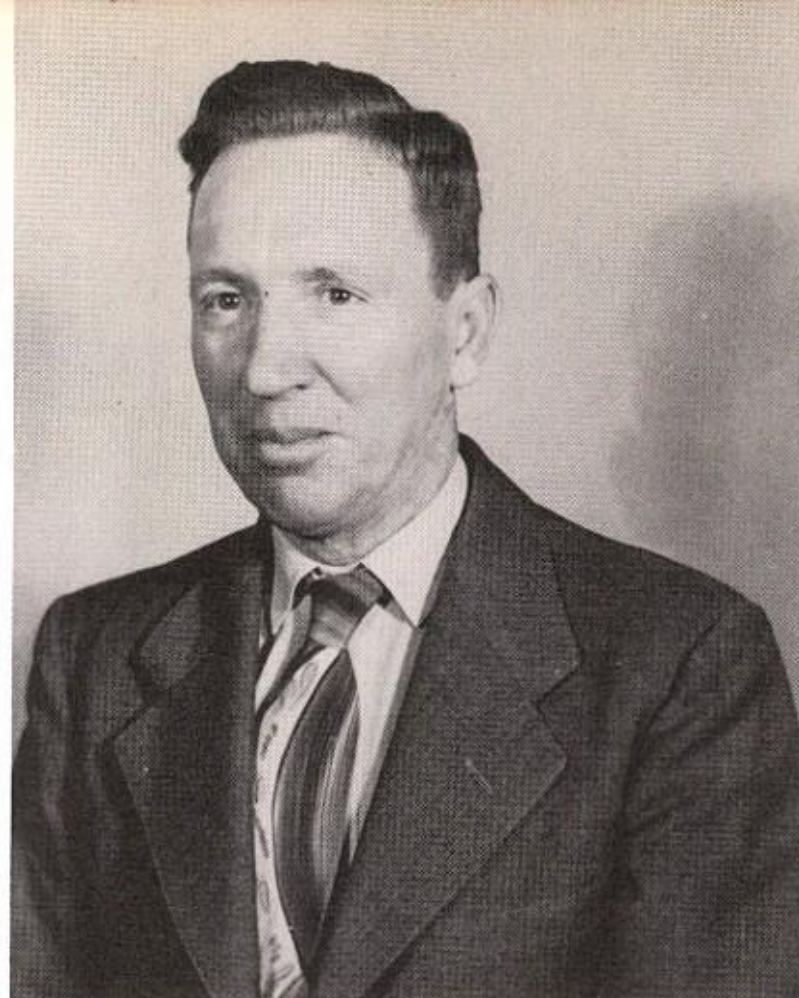

May each of you remember that there is no satisfactory substitutes for ambition, work or abiding faith in God and the right.

Most sincerely,

A. L. Faubion
